London Claims Nazi Battleships "Severely Damaged"

Enemy Transports, Auxiliary Ship and Freighter Shelled

American forces scored triumphs today in the Philippines and the battle of Java, where Secretary of War Stimson declared that the United Nations were putting up a "magnificent" defense and inflicting losses heavier than the Japanese had admitted.

Stimson asserted, however, that the dangers of war actually loomed over American coastal cities. He said unidentified planes, possibly as many as 15, and perhaps operated by enemy agents, were over Los Angeles early yesterday during a raid which Navy Secretary Frank Knox characterized earlier as a "false alarm."

Paying tribute to British General Sir Archibald P. Wavell, Allied commander in the southwest Pacific, Stimson said "we realize fully the importance of the situation in Java and we are giving every bit of aid possible."

He declared that General Wavell sustained a broken rib in an aircraft accident in a visit to Singapore the day before it fell, and said Wavell had wanted to fly to Bataan to visit General Douglas MacArthur.

MacArthur advised him against it because of the risk, Stimson said.

While the Americans were hitting out against the Japanese in the Philippines and from Java, the grim drama of Burma moved toward a climax, with Rangoon reported in flames and British imperial defenders holding grimly to the Sittang river line against heavy odds.

So far, the British said, there has been "no evacuation of military personnel from Rangoon, the Burmese capital, but it was apparent little hope was held out that the city could be saved."

In Calcutta, 740 miles across the Bay of Bengal from Rangoon, the steady approach of Japan's invasion hordes through the Burma gateway to India heightened preparations for resistance.

Trenches were being dug in Calcutta's streets and 500 buildings are being taken over as air-raid shelters.

In the battle of the Dutch Indies, United States submarines smashing at Japan's sea-borne invaders were officially reported to have torpedoed two enemy troop transports, an auxiliary ship and a freighter, and Washington naval warships predicted Japan's ultimate defeat at the present rate of sea losses.

A bulletin from Dutch East Indies headquarters announced the attacks occurred within the past 8 hours.

In addition, a Japanese warship, one of a squadron, was listed as "presumed" hit. The attacking United States submarine was forced to dive before it could observe the effect of its torpedo.

Amid these Allied counter-attacks, the Japanese invaders appeared to have overrun most of Sumatra, across the 15-mile-wide Sunda Strait from Java, and also advanced down the west coast of Dutch Borneo.

In the Philippines, a bulletin from Gen. Douglas MacArthur's headquarters reported that American and Filipino troops launched a surprise attack and hurled the

SOVIET RING IS TIGHTENING ON NAZI 16TH ARMY

Dispatches from Front Say Fliers and Anti-Aircraft Guns Are Breaking Attempts to Bring Up Supplies

RESERVES DEFEATED

Moscow, Feb. 26.—(P)—The Russians declared today they had defeated reserves which the Germans were hurrying into the flaming battle of the Staraya Russa area, where a Soviet ring of destruction closed tighter upon survivors of the smashed Nazi 16th army.

One of the reserve units said to have been beaten when it attempted to break through to aid trapped troops was identified as the 56th regiment of the German Fifth Division.

Dispatches from the front said Russian fliers and anti-aircraft guns were breaking up attempts by the Germans to bring supplies into the Staraya Russa area by transport plane.

The Russians said captured German orders disclosed that 96,000 troops had been caught in the Staraya Russa trap.

"They are disintegrating," a dispatch said. "Their situation is hopeless."

Soviet fliers dropped leaflets over the encircled divisions promising them good treatment if they surrendered.

On the southwestern front, too, the Russians reported decisive victories over German and Rumanian forces.

The first Rumanian division was defeated routed, with more than 2,250 killed and 200 surrendered.

Russian accounts said the trapped Germans were being broken up into smaller forces.

"They declared that 147 settlements in the Staraya Russa area already had been won back under the Red flag."

(Bellegers gave no indication of the number of German troops in the army, but at full strength it would total at least 80,000 men and a Stockholm dispatch to London said 100,000 were threatened with death or capture in the Staraya Russa area, below Lake Limen.

Fighting Men from British Empire Like American Girls

New York, Feb. 26.—(P)—At a dark hour of 5:45 a. m., today, a group of soldiers at a U. S. army post in the metropolitan area fled out of their bunks, donned their kit and tam-o-shanters, and took to their knees—like American girls.

They were British and Scottish fighting men, first combat force of the British Empire to set foot in the U. S. A. since the first world war. They liked "most" everything they saw, except the "pom" mild American beer.

"We'll hit it like a serpent stinging like an adder," a Killie plained.

The identity of the fighters, their purpose here, and their ultimate destination are war-time secrets. But the Scots, in heavy kilts, and the English, in equally heavy accents, made no secret of these likes and dislikes:

1. The American girls are "wow."

2. The price of two drinks of whiskey (that's what it sounds like) in a Manhattan night club would buy a bottle back in Glasgow.

3. The food here is better than anything they've had in more than a year.

JAPANESE SURPRISED ON BATAAN

War Department Reports That General Douglas MacArthur's Troops In Unexpected Thrust Have Forced Nipponese Back Several Kilometers

FIGHTING BELIEVED STILL IN PROGRESS

Washington, Feb. 26.—(P)—The war department reported today General Douglas MacArthur's troops in a surprise thrust forced back the Japanese several kilometers on the Philippine Bataan peninsula.

A 9:30 a. m. (EWT) communication said that fighting was in progress with continued local successes.

Main positions of the enemy have not been penetrated, it was said.

The attack brought the first substantial advance for the American-Filipino defenders since they were forced to withdraw into the narrow peninsula nearly two months ago.

Meanwhile small bodies of American and Philippine troops were reported to be harassing the Japanese in guerrilla fighting in central and northern Luzon, scoring "considerable success."

More than 500 miles to the south, on the island of Mindanao, desultory patrol action occurred. The invaders there have been reinforced by a detachment of Japanese marines.

A war department spokesman advised reporters to "make your own interpretation" of the reversal inflicted on the Japanese in Bataan.

Four times in recent weeks the war department had advised that the Japanese were bringing up reinforcements and performing the "renewal of the series of full scale offensives which dwindled to inconclusive fighting a month ago."

Instead came the lull of the last several days and the counter-attack reported today.

The United States was exacting a punishing price from Japanese seapower for Nippon's Pacific conquests today, but German U-boats kept striking hard with frequent success in the Atlantic.

LEWIS DECIDES TO ENTER RACE FOR GOVERNOR

Harrisburg, Feb. 26.—(P)—The entrance of Lewis, Samuel S. Lewis into the Republican gubernatorial scramble and the navy's offer of a commission to George H. Earle set the stage today for a quick jelling of Pennsylvania's 1942 political campaign.

Nominating petitions start circulating on Saturday and there was every indication that party lines may become defined prior to that time.

Rubber for Suspenders and Garters Ruled Out

Washington, Feb. 26.—(P)—Further use of rubber in production of women's corsets and girdles—and men's suspenders and garters—was definitely ruled out today for the duration.

The War Production Board said no more rubber would be available for the thread essential to such intimate accessories. The ruling, announced late yesterday, reinstated an earlier no-more-corsets order which had been modified to some extent last month.

Corsetiers promised they would do the best they could with the materials on hand, mentioning the possibility of employing knitted gussets in milady's girdle.

INDIES DEFENSE 'MAGNIFICENT' STIMSON SAYS

War Chief Says That Unidentified Airplanes, Possibly as Many as 15, Were Over Los Angeles Wednesday

1,430 ROUNDS FIRED

Washington, Feb. 26.—(P)—Secretary Stimson said today that the United Nations were making a "magnificent" defense of the Netherlands Indies and had inflicted heavy losses on the enemy which he said the Japanese had not disclosed.

"We realize fully the importance of the situation in Java and we are giving every bit of aid possible," the war secretary told a press conference.

In a tribute to British General Sir Archibald Wavell, Stimson reported that the southwest Pacific commander in chief sustained a broken rib in an aircraft accident on a visit to Singapore the day before Singapore fell.

Wavell, he said, proposed to visit the Bataan Peninsula, fighting front in the Philippines also, but General Douglas MacArthur advised in a message not to take the risk.

"The commander of the United Nations forces has shown himself worthy of the character of the men he commands," Stimson said. He added that the desperate defense of the Indies reflected "great" (Turn to Page Eight)

VICTIM OF OPEN STOVE

Pittsburgh, Feb. 26.—(P)—Stephen Delini, 55, a captain of Polish troops in the first World War, was killed yesterday by fumes from an open gas heater in his rooming house. A companion, John Bikoski, who was also overcome, was reported in serious condition. Officials said that one of the men, apparently becoming cold, had shut the windows and door of their room.

168 RESCUED IN NEWFOUNDLAND

St. John's, Newfoundland, Feb. 26.—(P)—The count of men rescued from the shipwrecked United States destroyer Truxtun and the naval supply ship Pollux stood today at 168—125 more than were accounted for in first reports.

Newfoundland villagers said they had taken 118 bodies from the sea and continued their search for others.

The United States navy had announced in Washington that 189 officers and men were lost in gale-churned Canadian waters where the two vessels recently were cast on the rocky shore and smashed, but did not give the number of survivors.

What the casualties might have been had not four sailors from the Truxtun braved the sou'easter to make shore on a raft could only be guessed. As it was, the ships had been pitched on the rocks four hours before the sailors could summon the aid from shore inhabitants for which President Roosevelt has expressed his admiration and gratitude.

RANGOON SITUATION CRITICAL

British Imperial Forces, Fighting With Backs to The Wall in Desperate Effort to Save City, Fire Vital Installations to Prevent Them Falling Into Enemy Hands

ONLY DELAYING ACTION BELIEVED TO BE LEFT

BY DANIEL DE LUCE

Mandalay, Burma, Feb. 26.—(P)—British imperial forces, fighting with their backs to the wall in a desperate effort to save Rangoon, have fired vital installations there to prevent them from falling into Japanese hands, advisers from the Burmese capital said today.

Travelers arriving here from Rangoon said smoke was rolling over the city from flames touched off by demolition squads and that a vital oil refinery had been left a charred ruin.

Although British lines were said to be holding on the west bank of the Sittang river above the virtually depopulated capital, all that the imperial forces could offer, apparently, was a delaying action.

At the line of the Sittang the Japanese had reached the top of the Gulf of Martaban, less than 70 miles from Rangoon, and had crossed all but the last of the river barriers on the path of their advance.

Some British and Indian battalions had lost heavily in the prolonged fighting against heavier numbers which have staggered Burma's defenses back across the Salween and Bilin rivers.

At the same time, the Japanese apparently were opening a second at Chiengmai and Chiengrai aimed offensive from their Thailand bases toward the upper reaches of the Sittang in the Shan states of Burma. On that front, however, the invaders face a collision with thousands of Chinese and have (Turn to Page Eight)

LAST ENCAMPMENT OF G. A. R. IS PLANNED

Uniontown, Feb. 26.—(P)—The last encampment planned for the state department of the Grand Army of the Republic will be held here during the week of June 14.

Officials said only three of Pennsylvania's surviving Civil War veterans attended the 1941 encampment at Gettysburg, and will be lucky if two get here this year.

The last G. A. R. convention held here in 1927 drew 129 veterans.

Capt. A. W. Gabrio, 95, of Hazelton, is commander-in-chief of the department.

ONE IS INJURED IN ESCAPE PLOT AT REFORMATORY

White Hill, Feb. 26.—(P)—A break for freedom from the state's new \$3,000,000 industrial school for boys left one inmate painfully wounded today, two under close surveillance and another who possibly was armed, hunted by the state police.

Major Henry C. Hill, superintendent of the model reformatory which was the scene of a gubernatorial inquiry last fall after a similar escape plot ended with the death of one youth, said 11 boys apparently had planned to join in the dash, last night, but that the presence of extra guards scared them out.

PLAN FOR WORST GENERAL URGES

Harrisburg, Feb. 26.—(P)—Declaring "we've got a plan for any eventuality," Major General Milton A. Reckord told a civilian-military co-ordinator assembly "I don't believe the ruthless leaders of Germany would pass an opportunity for a so-called token raid."

The commanding general of the Army's Third Corps Area asserted last night that if Atlantic City is bombed "it may be called upon to take in refugees of those areas under attack." He emphasized that "in times of stress, we must have our leaders and the others must follow."

Describing Pennsylvania as "one of the most important industrial areas in the nation's defense," General Reckord added, "We've been asleep, though, just as England and other democracies were asleep." Now that war is upon us, he said, "we've got to pay the price, and we're in for a long, hard siege."

ATTACK ON CRUISER IS REPORTED

Official British Announcement Says the Scharnhorst and Gneisenau Have Been Located in Drydock In Germany and Prinz Eugen Hit by Torpedo

NEW PERIOD OF SEA RAIDING ANTICIPATED

By the Associated Press

London, Feb. 26. The 26,000-ton German battleships Scharnhorst and Gneisenau and the 10,000-ton heavy cruiser Prinz Eugen apparently have been knocked out of the war for some time to come, according to a naval review presented in the house of commons by First Lord of the Admiralty A. V. Alexander.

Moreover, he said, the British submarine Trident sent a torpedo aft into a cruiser of the Prinz Eugen class, probably into the Prinz herself. The Trident also may have hit an escorting destroyer, it was indicated in a simultaneous communication from the admiralty.

The ocean-going Trident, 1,080 tons at the surface, has been dogging Germany's Norwegian sea route and it was there that she nailed the heavy cruiser. On Nov. 29, the Trident was credited with a successful attack on seven German transport and supply ships. Three were seen to sink and four were so damaged that their loss was considered probable.

Alexander's statement and the admiralty's communication disclosed the close watch the British were keeping on the whereabouts of the three warships with aerial reconnaissance.

In the Mediterranean sector, the admiralty announced that another British submarine had scored three torpedo hits on an enemy convoy of three supply vessels.

Today's review was followed immediately by a new charge—from conservative member Rear Admiral T. P. H. Beamish, to the effect that crews of the torpedo planes which attacked the German squadron in the channel never had made an operational flight before and were told they were to attack a convoy, not strong naval units.

U-boat raids off the American east coast, he said, had "seriously affected the trend of the losses."

The two battleships which escaped from Brest, France, with the Prinz Eugen and ran a gauntlet (Turn to Page Eight)

Six Soldiers Are Dead In Crossing Accident

Enid, Okla., Feb. 26.—(P)—A Rock Island freight train ripped through a bus today, killing six enlisted men in the army air corps, including a Pennsylvanian.

Twenty-four others were injured in the crash which occurred in a blinding snowstorm, half a mile west of Enid.

The list of dead supplied by Capt. Calvin W. Hammond, press relations officer of the Enid flying school, included Pvt. Eugene L. Underwood, 23, Rogersville, Pa.

Names and extent of the injuries of the other victims were not available immediately.

There were no witnesses to the accident other than the men in the bus and train crew, Captain Hammond said.

Propose Law to Regulate Air Raid and Black-Out Tests

Harrisburg, Feb. 26. (P)—The James administration sought today to put teeth into the State Defense Council's blackout and air raid regulations and asked that \$10,000,000 be set aside for the council to distribute to communities with essential war industries.

Identical bills covering the air raid and blackout, precautions were presented in house and senate by Rep. Francis X. McClanahan (D-Phila.) and Senator John M. Walker (R-Allegheny). The legislation carried out one of the points in Governor James' summons to the legislature.

The measures would make law the requirements for precautions and actions in the wartime emergencies as drawn up by the State Defense Council and would impose fines up to \$200 and jail terms up to 90 days for violating the rules.

Other provisions would permit the council to shift police officers or volunteer workers and equipment from one municipality to another in an emergency. It would exclude injured volunteers from benefits under workmen's compensation laws.

LAST DATES TO BUY MATERIALS ARE ANNOUNCED

The Warren County Agricultural Conservation Committee announces that all orders for 20% superphosphate to be furnished to farmers under the 1942 program must be in the county office, court house, Warren, on or before Tuesday, March 3, 1942. The committee believes that farmers have had sufficient opportunity to order this material and that, due to the uncertainties of transportation, all orders on hand should be sent to the supplier for early spring delivery.

The committee has also decided to accept lime orders only up to the 20th of March, so that all requests for either bagged, bulk moist or bulk dry lime may be in the committee's hands for approval by March 31st.

Those who have not yet ordered this material and still desire to do so should see their community committeeman at once or call at the county office, court house, Warren, any day except Wednesday, and place their orders before the above dates.

The committee has approved the sale of three carloads of feed wheat to one producer and two millers in the county. This wheat is part of one hundred million bushels released by the Commodity Credit Corporation to farmers, poultrymen, dealers and processors at the price of corn in Chicago, plus freight and handling charges.

BOY SCOUTS TO HOLD CONTESTS

Scouts from Warren, Lander, Lottsville, Tidoute, and Russell meet tonight in a first aid contest being held at the high school gym in Sugar Grove at 8:00 o'clock. They have been practicing for this first aid contest for some weeks and are looking forward to it with interest and enthusiasm. F. A. Schoonover, general chairman in charge of the program, has announced that three special first aid problems have been selected for the competition.

All competition will be against a standard and all teams attaining a standard of 90% or better on each problem will be designated as "standard first aid teams."

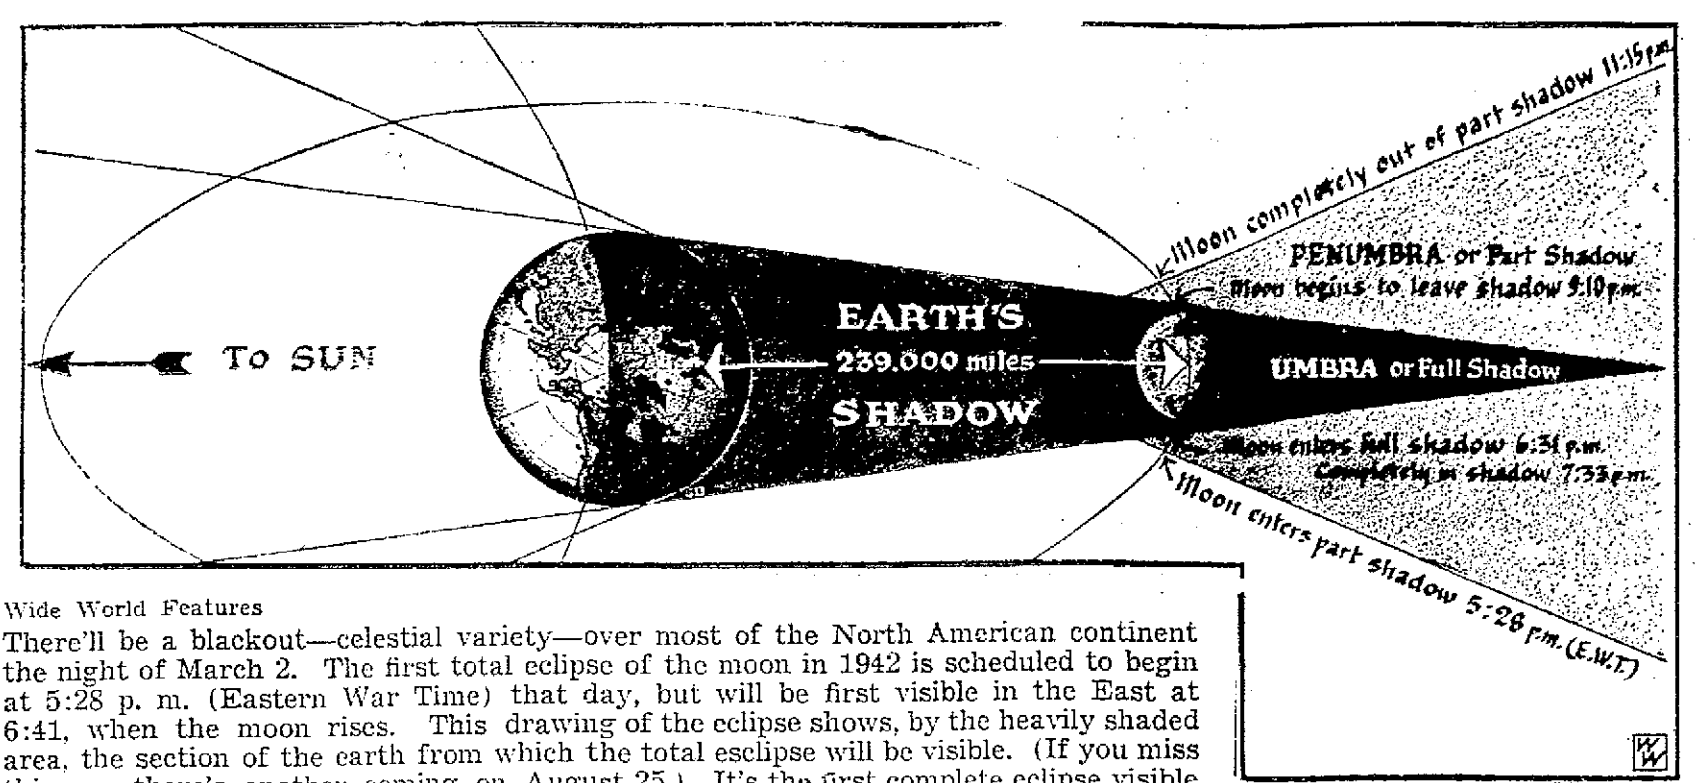

Tomorrow night another contest will be held at Sheffield at the high school gym at 8:00 o'clock. The general public is invited to both contests.

Lunar Blackout Due For U. S. On March 2

Wide World Features
There'll be a blackout—celestial variety—over most of the North American continent the night of March 2. The first total eclipse of the moon in 1942 is scheduled to begin at 5:28 p. m. (Eastern War Time) that day, but will be first visible in the East at 6:41, when the moon rises. This drawing of the eclipse shows, by the heavily shaded area, the section of the earth from which the total eclipse will be visible. (If you miss this one there's another coming on August 25.) It's the first complete eclipse visible in the U. S. since Nov. 7, 1938.

Twenty-three Men From Warren And Vicinity About to Enter Service

Names of 23 young men from Warren and vicinity who are about to be inducted into the U. S. Army from the district of Local Board No. 1 were announced today. Although the date of induction was not revealed, it is expected that the group will be called within a short time.

Those in the list announced today have passed their final physical examinations and are ready to start their army service.

Following is the list of those about to be inducted:

Hyman Joseph Levinson, 244 Pennsylvania avenue, west; Donald Wesley Orcutt, 1215 State street; Eric, Stephen Francis Dickerson, 25 High street; Clarendon, Richard T. Grace, Y. M. C. A. Warren; Robert August Schindler, 117 Onondaga avenue; Claire Aubrey

Neal, 320 Glenwood street; Jacob Walter Matheny, Westline, Pa.; Charles Eugene Shreve, 216½ North 15th street, Olean, N. Y.; Albert Alexander Browne, 19 Hyde Park Boulevard, Niagara Falls, N. Y.; Robert Alfred Hofer, 56 Locust street; Jacob Benjamin Eschenbach, Kinzua; Lovell Ward Osborne, 176 Chestnut street, Bradford; Glen James Patchen, 415 Third avenue; Claud Francis Schindler, 117 Onondaga avenue; Robert William Hesch, 11 Water street; Raymond George Tuttle, Kinzua; Charles William Brooks, 506 Water street; Gar Warner Atkins, 30 Plum street; Edward Allen Ryberg, 21 North Carver street; Harold Emil Sedon, 208 Park avenue; Daniel Joseph Lucia, 908 Fourth avenue; Joseph James Sullivan, 906 Pennsylvania avenue, west; Lynn George Beach, 7 Glenwood street.

A new system of inducting selective recruits the same day they receive their army physical examinations will go into effect in the very near future. It was announced.

Previously, men classified by their local board as acceptable for service have been given their army physical examinations at least 10 days before they received orders to report for induction.

FORMER WARREN MINISTER HERE FOR OBSERVANCE

Two former Warren ministers, well known and popular in the community, will return next Monday to be special guests at the 20th anniversary celebration of the Warren County Ministerial Association.

They are Dr. Charles T. Greer, of Meadville, who was pastor of the First Methodist church, and Dr. Thomas S. Dickson, of York, pastor of the First Presbyterian church.

The anniversary party will be held at the Y. W. C. A. activity building, with ministers and their wives from the entire county joining in a birthday luncheon at 12:30 o'clock. Besides the addresses by Dr. Greer and Dr. Dickson, other program features are being arranged.

During the business session of the association, scheduled for 11:30 o'clock, there will be a report on plans for community observance of Holy Week.

One feature of this observance this year will be participation by the students of the weekday religious education classes sponsored jointly by the association and the schools.

Mid-town classes of the religious education school are holding weekly devotions each Wednesday.

Service Resumed
Readers of the Times-Mirror will be pleased to learn that this paper's pattern service temporarily discontinued last week is being resumed in today's issue. Labor difficulties in the New York office of King Features Syndicate, which held up this service, have been settled satisfactorily, it was announced.

Killed at St. Mary's
Jack Dexter, 25, was killed last night when his automobile skidded into the side of a moving Pennsylvania railroad freight train at a crossing in St. Marys. His body was dragged 100 feet. A girl companion escaped with slight injuries.

Showing Progress
Friends of W. B. Reynolds, of 418 Fourth avenue, will be pleased to learn that he is now progressing rapidly following injuries received in an accident near Coudersport on January 21. Although he is still confined to a Coudersport hospital, he expects to be brought home within a short time.

New Fire Truck
Kane borough will be presented with a new panel emergency fire truck next Monday evening by the Griffith Hook and Ladder Company of that place. It is reported. Aided by a donation from the old West Side Fire Company, the Griffith unit has purchased a new three-quarter-ton panel truck to carry specialized equipment of the department.

Local Man Pledged
Mid-year men's fraternity rushing at the University of Pittsburgh this year resulted in more pledges than in any other mid-year rushing since 1927, when 50 men, the same as this year pledged fraternities. To Active Service
Two airplanes of the Jamestown squadron of the Civil Air Patrol have been ordered into patrol service on the east coast of the United States. It was announced yesterday. It will be the first Jamestown defense unit to go into active war-defense service. The patrol will furnish planes with pilots and observers. Names of the members who will go into service and the departure time could not be revealed.

DOUBLE FEATURE OFFERING AT THE LIBRARY THEATRE FRIDAY AND SATURDAY

"Suspicion"

His mastery in building up suspense on the screen has made Alfred Hitchcock, of "Rebecca" and "Foreign Correspondent" fame, one of the world's foremost directors.

His latest effort is "Suspicion," RKO Radio's new starring vehicle for Cary Grant and Joan Fontaine. Dealing with the strange romance of a charming ne'er-do-well and a trusting but highly imaginative woman who comes to suspect her husband of being a murderer, the picture is said to be one of the most breathless offerings in many months.

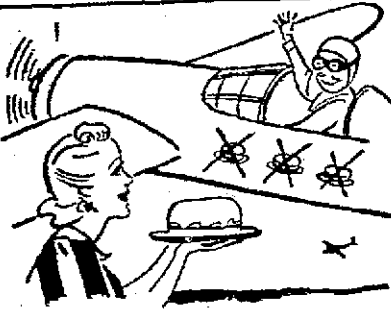

Sir Cedric Hardwicke, Nigel Bruce and Dame May Whitty are featured in the unusual film.

"All American Co-ed"

A top-notch stellar cast, including Frances Langford, Johnny Downs, Marjorie Woodworth, Noah Berry, Jr., and Harry Langdon, provides the fun, music and gaiety in the new Hal Roach musical streamliner, "All-American Co-ed," which will have its first showing at the Library Theatre on Friday and Saturday thru United Artists release.

Starts "Date With a Falcon" Sat. "

"DON'T COME TO WASHINGTON"

Some excellent advice for Warren people aspiring to secure employment in Washington is contained in an article just received from a correspondent in the capital who says "Washington is a magnet these days, a light that draws many a buzzing insect toward it. In fact the insects might well become so numerous as to blot out the light."

"Thus," he says, "the Civil Service Commission warns that if you want a paid job serving the government, don't come to Washington. First, check Civil Service bulletins at your local post office to see if you've got what's wanted. If you don't see it, write to the National Emergency List, U. S. Civil Service Commission at Washington for a questionnaire on which you can tell what you can do. If you have special technical or professional qualifications, write to the National Roster of Scientific and Specialized Personnel, Washington, D. C."

All of which will perhaps save you a night sleeping in Lafayette Park, and also help relieve a congestion in Washington which is becoming overwhelming.

LOCAL PROJECT PRAISED

High praise for the manner in which Warren county has cared for its crippled children in past years was voiced by representatives of the Zem Zem hospital in Erie, at the dinner of the Warren County Shrine Club at the Woman's Club last evening. Warm appreciation was expressed at the same time for the generous contributions made to the institutions by the local organization. This should be gratifying to all who have had a part in helping to promote this humanitarian work over a long period of years.

Incidentally the first "Ladies' Night" sponsored by the local club was such a delightful party that it is certain to be continued as an annual affair.

COUNTY SITTING PRETTY

All things considered Warren county has little complaint to make over the passage of the congressional reapportionment bill in the senate and consequent signing by Governor James. It appears almost certain that the representative from the re-aligned district will be a man with a thorough knowledge of the problems of counties in the oil and coal areas, such as Venango, Forest, McKean, Potter, Cameron, Clarion and Warren.

PASS THE BISCUITS, PAPPY

Bulletin 201 from the War Production Board sweetens things a bit. It seems bees must have sugar melted in water at certain times in order to keep alive and maintain production of money. And bee producers and apiarists, the WPB solemnly assures us, will get all the sugar they need to keep their bees buzzing.

Three cheers and a loud bang on the dinner bell for hot biscuits and butter and honey.

THE THREE-FOLD TEMPTATION
W. H. Warner, Retired, North Warren
Evangelical and Reformed Church

The text is recorded in the gospel according to St. Matthew. Fourth Chapter and ninth verse and reads as follows: "And saith unto him all these things will I give thee if thou wilt fall down and worship me."

This is part of the threefold temptation that Satan offered Christ in his temptation in the wilderness; but he accomplished nothing by it. Christ resisted the temptation.

Satan always comes when we are weakest to tempt us. Undoubtedly no two men were persecuted and suffered more for the founding and upbuilding of God's Kingdom than Christ and St. Paul. Both could have established earthly kingdoms but they preferred an eternal, heavenly, a spiritual kingdom—a kingdom of love. Alexander, Philip and other kings established worldly kingdoms by force, but they perished from the earth.

In Christ's sermon on the mount He commands them to seek first his kingdom and, if his righteousness and all things will be added unto us. His kingdom is a kingdom of love, peace, righteousness and perfection. He urges his disciples and followers to be perfect as his father in heaven is perfect. He speaks of the many mansions in heaven, which alone the righteous will inhabit.

Let us strive to be faithful that we may attain that heavenly kingdom where sorrow, sickness, pain and death are felt and feared no more. May we keep us faithful in His service unto the end that what ever be the trials through which Thou mayest lead us in this temporal life may be for our eternal salvation through Christ or Lord. When the journey of life is ended may we hear His blessed invitation, "Come ye blessed of my Father, inherit the kingdom that has been prepared for you from the foundation of the world."

EDSON'S WASHINGTON COLUMN

BY PETER EDSON
Times-Mirror Washington
Correspondent

Washington, Feb. 26.—Saying things in terms of billions of dollars—the way government statisticians do—doesn't mean much to the average person and may not mean much to the economists themselves, for no one ever saw a billion dollars except as a figure on a piece of paper. Thus, most people get lost when it's mentioned glibly that national income will rise from the \$90 billion of 1941 to \$101 billion in 1942 with taxes and savings at \$21 billion, leaving a net national income of \$80 billion while production of civilian consumer goods and services drop from the \$74.2 billion of 1941 to an estimated \$65 billion for 1942. When?

When you divide all those figures by 130 million—the estimated population of the country—to find out what's going to happen to the average inhabitant, then these figures begin to make sense. Performing that trick, you determine these approximate but simple facts:

The per capita income in 1942 will rise to \$777. (\$101 billion divided by 130 million.) The per capita savings and taxes will be \$161. (\$21 billion divided by 130 million.) The per capita net income will be \$616. (\$777 minus \$161.) The per capita production of civilian goods and services will be \$600. (\$65 billion divided by 130 million.)

Now, subtract that \$500 worth of goods and services which will be available to civilians from the \$616 per capita net income. The difference is \$116.

What that \$116 represents is the difference between what the mathematical average person has to spend (\$616) and the amount of goods and services that will be made available for the average person to buy (\$500 worth).

This \$116 per capita average excess spending power is what's worrying the economists and congressmen and treasury experts and the people who have to get up the new tax bill. It's worrying them more, even, than the possibilities of a Jap or a Nazi invasion. What worries them is what you and you—all 130 million of you—are going to do, collectively, with your individual \$116, which adds up to \$15 billion.

At first glance, you would say worry about a lousy \$116 a head for poor Joe Doakes, his wife and three kids. Isn't it dandy that

the Doakes family is going to have five times \$116 or \$580 more to spend. Let 'em go buy that new car, those new tires, that new radio, and stop at two movies and a night club on the way home.

That's just where things get difficult.

You can't buy a new auto. You can't buy a new tire. Pretty soon there won't be new radios or refrigerators. But that extra money is burning a hole in your pocket. You go to the stores and you start buying. Business gets good. But because factories are now making goods for war, the supply of goods for you to buy goes way down. Meanwhile, there is an increasing demand from the buyers, all with this mathematical average \$116 more to spend. Buyers start competing with each other. What follows is that prices start rising and the next thing you know you have dat ol' deblin inflation. That's what worries the national smart men. Nobody loves a fat man when his name is inflation.

The question then is what to do with that extra \$116 that every man, woman and child theoretically is going to have this year. No one will stand for having his pay reduced, his profits cut.

There are suggestions for enforced savings plans—various proposals to take 10 per cent of everyone's pay envelope away and give defense bonds in exchange, and make the bonds in such form that they couldn't be cashed till after the war is over. The advantage of this is it might give everyone a cushion of post-war spending capacity.

The government will take some of that \$116 in increased taxes. Just how much is a question. Some tax experts think the government should take it all. Gosh knows the government will need it. The only hesitancy is over the question of how much of an increased tax load you'll stand for.

The U. S. Navy's personnel will consume about 8,550,000 pounds of dried navy beans and 936,000 pounds of hops in the present fiscal year.

The USS Delaware, completed in 1911, was the world's first oil burning battleship.

The U. S. Navy is a substantial consumer of the nation's potato crop. Estimates for the current year calling for nearly 132 million pounds of Irish potatoes.

MAN ABOUT MANHATTAN

By GEORGE TUCKER

NEW YORK—This is the way the make-up men friends. A noted woman columnist, Dorothy Thompson, attends a Broadway showing of "Cafe Crown," a play about an eccentric eating house down town. After the curtain falls her escort asks, "Is there really such a place in town?" "Certainly," Miss Thompson replies. "I'll show it to you." The real name of this place is Cafe Royal. After the actress Miss Thompson and her escort turn up there. As so often happens, the café in real life is much more exciting than on the stage. For instance, while they are there a woman comes in and begins shouting, "Heil Hitler. . . Heil Hitler. . ."

After awhile there is a fracas, and the woman is finally ejected—but not until Miss Thompson has been kicked in the stomach and severely bitten in the hand.

MEANWHILE, up town, in the chief of a famous nightclub gets into an argument with a girl. The first thing anybody knows this chief is down on the floor gurgling out his life's blood. He has been eluded across the street, with a big pocket knife, and the girl pounds against the door and screams, "My friend is ill! . . . But when Dr. Tuck, (no kin) of Roosevelt hospital gets there her friend is beyond a carthage care. Then the police start asking questions at the 'club' and the girl tells them, 'went blank' and I don't know what happened."

In this, my friends, is how the radio spins. . .

WASHINGTON IN WARTIME

By JACK STINNETT

WASHINGTON—For a person who tries never to predict, to make some estimate of what is going to result from senatorial and executive surveys of government personnel is really taking the bit by the reins.

But there are straws in the wind now too thick to be ignored. First, the federal government, with a quarter of a million employees in Washington and a million more "in the field," already has exceeded the widest forecasts. Here alone it is growing at the rate of 6,000 employees a month. Senator Tydings, Maryland's anti-administration Democrat, has described it as "an overgrown monstrosity from top to bottom."

Every one of the ten departments headed by members of the cabinet have pleaded that they are all in great part necessary to the war effort and therefore should have priorities in appropriations and the hiring of additional personnel. Seven of these have been classified as necessary in toto, three in part. Out of 36 independent agencies and bureaus of the government, only eight lay no claim to being essential to all-out war.

IN SPITE of the vast expansion of government personnel, not all of the departments have added employees in the last year. That much-criticized fellow, Harold L. Ickes, has cut his Interior Department staff about 2,500 in 18 months up to Jan. 1. However, at that time, the trend again was up. The

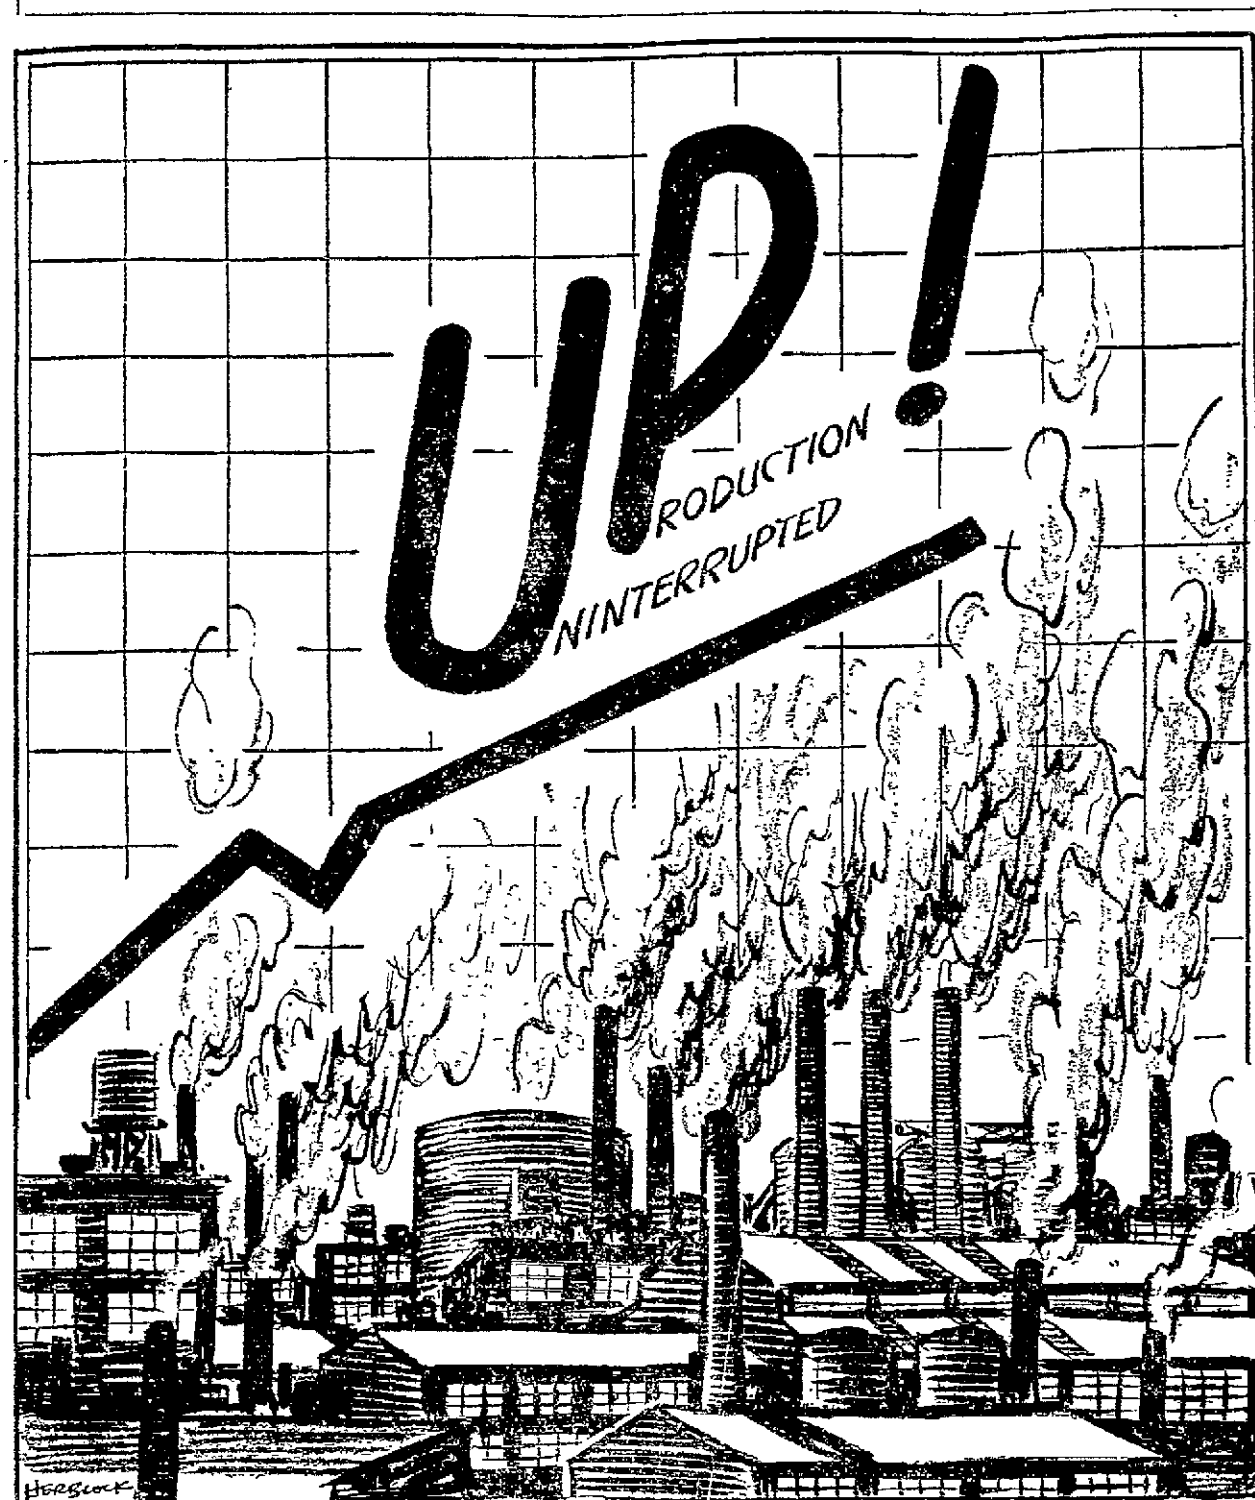

Labor department is down slightly, having lost one of its agencies (Immigration and Naturalization) to Justice. The Agriculture department also had reduced its force by more than 1,000 persons at last report. All others have grown.

There are two more important factors in the present picture. First, and it is principally political, practically all divisions of government now are under civil service and each state has a quota. Applicants from under-quota states are given preference. In spite of all the additions in recent months, there still are 25 states that haven't filled their quotas and by law, the civil service commission has to scour the applicants from these states before it fills jobs from the heavily over-quota District of Columbia, Maryland and Virginia.

Then, too, until now, no government employee with a good civil service rating in purely non-essential branches of government, had any assurance that his status could be retained or recaptured if he stepped out to take an essential war job.

Out of the present drive to put the government on a real war basis, many of these bottlenecks are likely to be broken.

Add to this the reorganization of many agencies, such as is taking place in the Office of Civilian Defense, and the lopping off of so many whose activities overlap, and it is likely that within the next six months or so the government is in for the greatest reorganization that has occurred under the New Deal or any other.

SECOND LARGE CROWD ENJOYS GYM EXHIBITION

With fully as large a crowd last night as that which enjoyed the first performance, Beatty school's Gymnastic and Physical Education Demonstration came to a fitting climax, with all who saw it immensely pleased and well entertained each evening.

An estimated 1000 people saw the show this year, biggest ever presented, with over 200 local students, the majority of them from Beatty school, taking part.

Eleven routines, each one distinctly different, made up the demonstration which was climaxed by a march each evening that brought all participants out onto spacious Beatty gymnasium.

Appreciation was shown by Miss Eby and Mr. Fleming for the efforts of several of the faculty members of Warren's schools, including Harry A. Summers, director of instrumental music, William Harrison, Beatty instructor, and C. W. Kurz, manual training teacher, as well as students Patty Kolpin, Melba Olson and a squad of floor managers who performed duties helping the two performances to move along at a rapid pace and make for a more pleasing event.

Also the two Beatty physical directors wish to offer thanks to the Turner Radio Company, which donated the public address system for the two-night program.

Initial Ladies' Night of the Warren County Shrine Club Attracts Many For Fine Program

The Woman's Club was the scene of a delightful party last evening when the Warren County Shrine club sponsored its first "ladies' night" with about 100 in attendance.

Emblems of the order, in the attractive colors of the Shrine, adorned the walls and the tables were decorated with white candles frilled with paper doilies.

Preceding the delicious chicken dinner, "The Star Spangled Banner" was sung, followed by the pledge of allegiance to the flag. The invocation was by W. E. Yeager.

The program was opened by a few words of welcome delivered by Floyd Rice, president of the club, who introduced Edward C. Walker as toastmaster for the evening.

August R. Peterson, past president of the club, was introduced and spoke briefly of the pleasure members were experiencing in entertaining the ladies, after which he introduced W. E. Lutz, as "Warren county's own representative in the Shrine." Mr. Lutz was recently elected oriental guide of the order. He responded with a brief word of appreciation for the interest and efforts of the members in making the honor possible.

O. C. Greider, vocalist, and W. C. Richards, pianist, both of Erie, then entertained with a few numbers, after which Horace A. Cray, of this city, a member of the board of trustees of Zem Zem Hospital for crippled children in Erie, was introduced. Mr. Cray responded by thanking the club for the privilege of representing it on the board.

Miss Helen Carter, superintendent of the hospital, was present and was introduced to the audience.

Clyde M. Langdon, secretary-treasurer of the hospital, delivered the main address of the evening in the absence of the president. Mr. Langdon outlined the history of the hospital, explained its financial setup and described buildings and equipment, speaking particularly of the new x-ray equipment recently installed as a gift of a Warren resident. He complimented the county of Warren for the work it has been doing in the interest of crippled children.

A film taken in and about the home was shown, after which Messrs. Greider and Richards favored the ladies with musical numbers. Four new members initiated at the recent ceremonial were introduced, along with Jacob Van Stee, member of the Jamestown Shrine club.

A feature of the evening was the appearance of a Pittsburgh entertainer introduced as "Annabella," who proved to be a musician of rare ability. Singing popular and classical numbers, she accompanied her own accompaniment by playing at different times the accordion, violin, drums, piano and xylophone. She also showed her versatility by tap-dancing to some of the tunes played. As an encore she led the audience in group singing.

The program closed with the singing of "God Bless America."

DELIGHTFUL PARTY FOR BPW MEMBERS

Members of the Warren Business and Professional Women's Club enjoyed a pleasant party Wednesday evening at the home of Miss May Belle Baisrow, 102 Oneida avenue, with a grocery shower, sundae bar and games as the principal features.

Prizes were won by Miss Ethel Baldensperger, Miss Louise Neely, Miss Callie Mead, Miss Alice Pearson, Miss Eunice Alexander, Mrs. George Clark, Mrs. S. D. Blackman and Mrs. Margaret Holmes. Refreshments were served from a table appointed in red, white and blue and flavored with a white "v" for victory.

Members of the club have been invited to attend the annual public affairs dinner of the Meadville club next Monday evening, when William S. Livengood, secretary of internal affairs, will be guest speaker.

KINZUA W. S. C. S.

The Women's Society of Christian Service at Kinzua held its February meeting at the home of Mrs. H. L. Thompson. The president, Mrs. Queen Dowd, was in charge and Mrs. C. A. Young conducted devotions. Mrs. Thompson gave a report of the study plans for each month, what the church is doing in home and foreign fields. Studied this month were Alaska, given by Mrs. Dowd, and Henderson, Ky., given by Mrs. Thompson. Refreshments were served by Miss Talitha Fuller, Mrs. Pearl Sheldon and Miss Ellen Mainberg.

GIVES FAREWELL FOR MRS. REIER

Mrs. Norman Pierce, North Carver street, was hostess Tuesday evening for a farewell party complimenting Mrs. Gilbert Reier, who leaves Saturday to make her home in Erie.

Prizes for a pleasant evening of bridge went to Mrs. Richard Hines for high, Mrs. Joseph Phillips for second and Mrs. Maude Gelotte for low. Guests presented Mrs. Reier with lovely gifts of a personal nature and the evening was concluded with the serving of a two course luncheon from a pretty Washington's Birthday table.

LITTLE BACH UNIT

Members of the Little Bach Society held their monthly meeting at the Philomel Club Wednesday afternoon, with a business session, program and refreshments. Theresa Marie Fino was in charge of the program and gave a paper on Haydn. Those playing piano numbers were Carolyn Cowden, Noel Hubbs, Jean Ellberg and Sally Smith. The last named was accompanist, also for a song by Cynthia Calderwood.

W. S. C. S. MEETING

Miss Jean Barlow, English missionary to Korea, was guest speaker at the Tuesday evening meeting of the Epworth Methodist Women's Society of Christian Service, telling most interestingly of her 28 years there.

The meeting was in charge of Mrs. Oscar Granquist, with Mrs. Victor Granquist conducting the devotional period. Miss Irene Peck was accompanied by Mrs. Harry Granquist for special vocal music.

BONNET'S OFFSPRING

AMERICAN designers look everywhere for wartime fashion freshness, and here's a striking example of starting with an old prairie schooner-going bonnet and coming up with Spring, 1942. Sally Victor found the large collapsible bellows hat, a brown taffeta calash, in the Museum of Costume Art, and it inspired the trim lemon yellow felt shown on the model.

Philomel Club Will Present Harold Triggs And Joan Moore In Recital Next Wednesday

Meeting at the clubhouse on Wednesday afternoon, members of the Philomel Club were reminded that they have a real treat in store for next week, when the club will present in the piano recital Harold Triggs and Joan Moore, of New York.

The piano duo will be heard at the clubhouse Wednesday evening, to begin about 8:30 o'clock because of midweek Lenten services. The public is invited to attend and tickets may be had by calling any member of the club.

This will mark the third special recital members have enjoyed during their golden jubilee anniversary. Mr. Triggs played a piano recital at the club for President's Day in the fall and Miss Doris Doe, Metropolitan contralto, sang a recital at the Woman's Club on October 29. From Warren, Mr. Triggs and Miss Moore will go to Indianapolis, Ind.

In opening the meeting yesterday, Mrs. Allie Russell, president, paid tribute to a former member, Dr. E. N. Cogswell, whose death occurred on Tuesday.

She announced that next week's business meeting has been cancelled because of the Triggs and Moore recital and that Mrs. Harriet Wilkins will present the program in two weeks.

Miss Jean Robertson, program chairman, announced the piano solo by Miss Mary Blocher; two-piano group by Mrs. Charles Eaton and Miss Lillian Larsen; group of solos by Mrs. Anna Wilson, accompanied by Mrs. Eugene Kuester; group of numbers of her own playing and Mrs. Kenneth Bjers; the Grieg Concerto, with Miss Larsen at the second piano. Tea in the club parlor was in charge of Mrs. W. E. Yeager and her committee.

A. Griggs and Mrs. Hartley Johnson. Valentines were exchanged and refreshments were served.

WHY NOT BAKE A SUGARLESS CAKE?

Just because sugar isn't as plentiful as it has been is no reason for ignoring the oven and forsaking cake-baking — many cakes owe their fame to syrup or molasses in place of the kind of sugar you put in your coffee!

If you're conserving sugar and want a cake that will stay moist and fresh with a lighter, thinner crust, try either or all of these three sugarless cakes that have been tried and tested at the Rumford Kitchens with the recipes given below:

Spicy Molasses Cake

2 1/2 cups sifted all-purpose flour
3 teaspoons Rumford baking powder
1 teaspoon salt
1 teaspoon cinnamon
1/2 teaspoon mace
1/4 teaspoon cloves
1/2 cup shortening
2 eggs
1 1/2 cups molasses
1 cup milk

Sift together flour, baking powder, salt and spices. Cream shortening; add unbeaten egg, one at a time, stirring well after each addition. Stir in molasses and blend. Add sifted dry ingredients alternately with milk, stirring well after each addition. Bake in 2 greased 9-inch layer cake pans in a moderate oven (375° F.) 25 to 30 minutes. Cool and frost.

AROUSE FLOW OF LIVER BILE

To Help Correct That "Half-Sick," "Tired," "All-Gone" Feeling

Normally the liver should discharge about a quart of precious digestive juices a day. If it doesn't—a steady flow—a slowing up may mean Sick Headaches, so-called Biliousness, Poor Digestion, or that half-sick, tired, all-gone feeling and most probably Constipation.

Probably all you need is a gentle EXCITANT: just take a little daily dose of that world-famous Kruschen Salts—half a teaspoonful in a glass of hot or cold water about half an hour before breakfast. This helps to release the flow of bile with its gentle bowel action. Try Kruschen—a famous English formula—for 30 days to shake off that "run-down" feeling and get a real "lift." If you do not feel 100% better get your money back.

Sugar Grove

Sugar Grove, Feb. 25.—A meeting for civilian defense was held in the school auditorium Tuesday evening under the supervision of Burgess G. A. Smith, with F. A. Schoonover, chairman of the local defense board, acting as chairman.

Allen Gibson, who is county chairman of civilian defense, was the first speaker introduced and very efficiently explained the workings of the many phases of preparation for the defense of the civilian population. He announced 1500 persons were enrolled in various training classes throughout the county and gave the personnel of the various departments.

E. E. Hawley, of Warren, explained the listening post work in connection with the air warden department. These were arranged by the American Legion before our nation entered the war.

William C. Stuart told about the work of the county air warden department, of which he is chairman, and announced the plans for the practice blackout which will take place March 2nd, from nine to nine-fifteen, and explained the air raid setup. Donald Abbott is first warden for this locality and has seven assistants.

F. A. Schoonover announced the following chairmen of the local defense board: Agriculture, Jesse Thompson; consumers, Fulton McKay; health, Dr. A. A. Grant; recreation, T. R. Spangler; welfare, Mrs. D. H. Haggerty; education, Allan H. Frank; air raid, Donald Abbott; dissester, Mrs. Delmar Mickelson; Red Cross, Mrs. A. A. Grant; fire, Albert Kai.

Mrs. Haggerty acted as accompanist for the singing of the national anthem and America, and Mr. Schoonover led in the salute to the American flag. Rev. Carl Perrin offered an opening prayer and Rev. Brainard the benediction. The Red Cross class for first aid training opened Thursday evening in the home economics building with Dr. Grant in charge. The air warden and the school teachers compose the first class but others will receive training in later classes. The home nursing class under the instruction of Mrs. Alfred Aiken has been in progress several

al weeks, with a full attendance. The annual meeting of the Woman's Home and Foreign Missionary Society of the Presbyterian church was held at the manse with Mrs. Carl Perrin, Thursday. A bountiful dinner was served at one o'clock, followed by the business meeting at which Mrs. C. L. Veness presided. Various committees reported and annual reports were read. Mrs. Lottie Duell gave the report of the nominating committee and the following officers were re-elected: Mrs. Veness, president; Mrs. J. A. Nobbs, first vice president; Mrs. Elmer Frodelius, second vice president; Mrs. Scott Stuart, secretary; Mrs. J. A. McIntosh, treasurer; Miss Josephine Ricker, secretary of literature; and Mrs. Perrin, mite box secretary. The March meeting will be held at the home of Miss Ricker, with Mrs. McIntosh assisting hostess. Mrs. Perrin conducted the semi-annual mite box opening service. The program consisted of prayer, scripture, responsive reading and group singing, with Mrs. Clarence White as pianist. Mrs. Paul Carlborg and Mrs. Leslie Andersen sang a duet.

Miss Ricker had charge of the program, with Mrs. Margaret Hamilton giving a paper on Latin American and Spanish Speaking People. Mrs. Duell, the Negro Miss Stuart, Alaska, and Mrs. Ricker, the southern mountains missions. Mrs. Allan Frank was received as a new member. Twenty-six women were in attendance. Born to Mr. and Mrs. Glen Ricker, of Rochester, N. Y. a son, Charles Edwin, February 13.

Mrs. C. L. Veness, who is spending the winter with Mrs. Ernest Davis in Jamestown, spent Thursday afternoon and Thursday night with her sister-in-law, Mrs. Charles Barrett.

Miss Lena Anderson is spending an indefinite time at 504 Water street, Warren, and is reported improved in health. Miss Jane Abbott, who is a technician at the Butler Memorial hospital, is spending the weekend with her parents. Mrs. Earl Herspool and Mrs. Walter Olson, of Canton, Ohio are spending a few days with their parents, Mr. and Mrs. Earl Abbott. (Turn to Page Thirteen)

SENTENCE THREE IN COURT HERE

Two charged with robberies in this section and another charged with furnishing liquor to inmates of a state institution were presented by District Attorney J. H. Goldstein in court here this morning for sentence by Judge Allison D. Wade. All three pleaded guilty.

Howard M. Zuck, 23, of Tidoute, charged with larceny and receiving stolen goods, was given eight to 16 months in the Allegheny county workhouse and fined \$25 and costs. He was arrested in connection with a hold-up at Tiona, about two years ago.

Walter Shaw, 28, of Buffalo a former Tidoute resident, charged with burglary and larceny, was given from one year and three months to two years and six months in the Allegheny county workhouse. He was also sentenced to pay a fine of \$25 and costs.

Homer W. Arters, who was charged with taking liquor into the Warren State Hospital at North Warren and furnishing it to inmates, was sentenced to spend six months in the county jail and pay a fine of \$25 and costs.

District Attorney Goldstein said a detainee would be filed against Shaw and Zuck by Venango county authorities, in connection with the robbery of a service station at Pleasantville.

Official statements were not of much help.

With every army and navy source here silenced, the Fourth Army and Defense Command reported from San Francisco.

"The aircraft which caused the blackout in the Los Angeles area for several hours this (Wednesday) morning have not been identified."

There was no elaboration as to whose aircraft, how many from whence it (they) came, or where disappeared.

These facts were established: A red air raid warning signal flashed at 2:25 a. m. (3:25 a. m. EDT) yesterday and sirens screamed their warning. Southern California blacked out.

About 3:05 a. m. anti-aircraft guns went into action on a 25-mile front along the coast, firing sharp and tracer bullets at a slowly moving, and still unidentified, target.

No bombs were dropped. No aircraft was shot down, despite countless false rumors.

WINANT IS ON HIS WAY TO REPORT TO CHIEF

London, Feb. 26.—(P)—U. S. Ambassador John G. Winant has left England for a brief visit to the United States to report to President Roosevelt.

The ambassador's departure was announced today by the embassy which said it was part of his plan to return "every now and then" for the purpose of keeping the president fully informed.

16 rear admirals arose from the 1860 class of midshipmen trained aboard the frigate Constitution.

Japanese Surprised on Bataan

(From Page One) attribution, the capital sought to strike a balance of the gains and losses.

The toll taken of enemy shipping in the Pacific was heartening. Army and navy reports disclosed that since Dec. 10 a total of 74 Japanese combatant and non-combatant vessels had been sunk, seven more probably sunk and 33 damaged.

If losses on such a scale can be inflicted on Japan for the remainder of the year, naval officials indicated last night, her ultimate defeat is assured, because her shipbuilding resources are not equal to providing the necessary replacements and repairs.

In the Atlantic however, navy statistics testified to the unrelenting vigor of the U-boat campaign. From Jan. 1 to Feb. 23 the number of submarine attacks on shipping of the United Nations in the western half of the ocean alone was 114 and 45 of them occurred in American coastal waters. During this period, the sinkings of 54 ships have been officially reported from Canada to the Caribbean.

The raiders have paid for their successes. The navy said last night it had good reason to believe that three more enemy submarines have been sunk by U. S. action in the Atlantic, and four others damaged. This was the first announcement on the subject since Dec. 21 when Secretary Knox said that 14 undersea raiders had been destroyed or damaged.

Nevertheless, there was evident need for more effective counter measures. For Prime Minister Churchill declared on Tuesday that the shipping losses of the United Nations in the last two months had shown a "most serious increase."

Figures on the navy's work in the war of attrition against Japan were released by Secretary Knox yesterday.

On October 10, 1845, the U. S. Naval Academy was instituted at Annapolis, Md., through the efforts of George Bancroft.

On October 27, 1773, a special committee presented to Continental Congress a bill providing for the construction of the first ships in the Navy.

DANGEROUS BAGGAGE

BY ELEANOR ATTERBURY

Chapter 28
Wild Ride

"TOM!" she gasped. "Tom Stafford!"

He scarcely glanced at her. The same—curtly.

"But you—I thought you were—"

"You thought I was sleeping off good drunk under Pavlo's tender care," he finished when she begged down under the weight of her amazement. "That was the plan, wasn't it?"

She didn't answer, not daring to risk telling him too much.

"I knew you'd gotten your orders," he went on dryly. "I knew, too, that our friend had loaded up drinks plenty." He laughed, a short, mirthless sound. "Hope the stuff doesn't kill his potted plants. I poured enough in to pickle them."

This, she realized as she watched sarcasm flash across his face, was the real Tom Stafford. For the first time she was actually seeing him with his pretenses down. And the grim strength of purpose she saw was not—reassuring!

"We'd better get moving, boss," Tom nodded.

"What'll we do with her?"—as if Sharon were inanimate.

"Take her along."

Knowing it was futile to protest, Sharon went. Or rather she was taken! Half carrying her between them, they raced down the pier in the direction from which the had come. Into a dark tunnel through that to another door, and down a few steps.

The next moment she felt herself being set down onto a boat's deck. A small cruiser, power driven. Tom took the wheel. The engine roared into action and they sped away from the harbor.

Huddled in a heap on the surging, leather-upholstered seat, Sharon tried to corral her thoughts, make some plan for escape. Behind them blazed the flaming warehouse. Dennis and Vere they caught in those flames? Had they given themselves time to get out! And what desperation had goaded them into destroying that valuable cargo. Surely the wall of sirens, the scream of firetrucks reached them faintly now from across the widening stretch of water. The red lights of the fireboat backing out of its harbor on Yerba Buena island.

And out of the fog ahead, the peecching sound of bell buoys, fog horns howling warningly back, the thick white smothering fog.

And what had Tom to do with all this? How had he discovered Mr. Goodwin's plan. How had he escaped. How had he succeeded in causing all this damage?

And in the midst of her frantic pursuit of answers to these fatal questions, she came full onto a new realization. She was no longer afraid. And, tracing back, she realized she hadn't been afraid since the moment a burst of flame had showed her it was Tom who held her captive.

But why should she be afraid? She demanded logically. Certainly now that she knew him positively for her enemy. Hers and Dennis's and Mr. Goodwin's. Perhaps their very lives lay in his hands this very moment. And yet the uneasiness she felt now was no kin to the terror she had known in the blackened warehouse a few moments ago.

Love

WATCHING Tom now, conscious of the clean cut strength of his profile, the quiet sureness of his hands on the wheel, even the set of his broad shoulders, she knew why she was no longer afraid. She was in love with this man.

Steadily the powerful little boat pulled away from the glowing dock. Now that the arson was one, Sharon thought suddenly, the guilty ones would make a getaway. Why hadn't she seen that before! Goodwin certainly would. He'd been stupid not to see that. Why should he endanger his own and the lives of the men who worked so hard to help him? Of herself! She straightened now, appalled at her own slow-wittedness. Tom and his men had fired that grain!

Her eyes straining through the thickening fog, she tried to see whether the flames were higher now. Tried desperately to think some way she could help. Some warning signal—some way to attract attention to this escape.

They were out in mid-channel now, heading straight up the bay, out of reach of shore lights, even nearby objects were shrouded in obscurity. A passing patrol boat omed close before she had even seen aware it was near. Ahead, the day disappeared behind a hite, opaque wall. They, themselves, must not be visible, she realized, her hopes sinking.

Aware that her own danger creased with every moment, Sharon was concerned not so much about that, as about her inability to warn the others. Avel miles before refueling. Put ch distance between them and their pursuers they might never overtake. If Tom headed out the Gate into the ocean, she ought, her fears mounting, ere would be no way at all she

JUNIOR GRANGE TO BE FORMED AT YOUNGSVILLE

Youngsville, Feb. 23—Plans are completed for the organization of a Juvenile Grange as an auxiliary to the Brokenstraw Grange. The organization is to be made in the Grange hall at 8 p. m. Thursday evening, Mrs. Nina Haight has been appointed as the sponsoring matron of the Juvenile Grange.

The new organization will have its own officers and will conduct the meetings themselves. The Juvenile Grange is open to boys and girls eight to sixteen years of age. It is not necessary that their parents be Grangers.

Thursday evening Mrs. Shaw of Akeley, and the group of Junior Grangers whom she sponsors from Akeley will be present and put on the initiation service for the members of the Youngsville Grange. After the initiation, an election will be held and the new officers duly installed.

State deputies Mr. and Mrs. Lloyd Wilcox, of Lander, are to be present Thursday evening. Mr. Wilcox is the state senior Grange deputy and Mrs. Wilcox is the Juvenile Grange deputy. Already plans have been worked out to make this youths organization most interesting, instructive and entertaining.

Dr. Syngman Rhee, first president of Republic of Korea, is in United States to preside at Liberty Conference called to plan freedom for that Japanese-ruled country.

YOUR FEDERAL INCOME TAX

Reduction for Tax on Motor Gas

If an automobile is used for both business and pleasure, those maintenance and operating expenses which constitute allowable deductions for Federal income tax purposes should be allocated to the two uses on the basis of the time the car is used for each. For example, if the total expenses of operation and maintenance plus depreciation, for the taxable year amounted to \$800, and the car was used three-fourths of the time for business and the balance of the time for pleasure, the allowable deduction, for Federal income tax purposes, would be \$600.

In general, taxes are deductible only by the person upon whom they are imposed and by whom they are paid. If the State law imposes a tax on gasoline by its terms it imposes the tax on the consumer may deduct as a tax, for Federal income tax purposes, the amount of the gasoline tax paid by him; but the taxpayer must have kept records of the payment of such taxes in order that the deduction may be substantiated as is required by the regulations. The Federal gasoline tax is not deductible by the consumer. The taxpayer may ascertain whether a state gasoline tax is deductible by the consumer or by the dealer by addressing an inquiry to the collector of internal revenue for his district.

In any case where the gasoline purchased is used for business purposes, the tax may be regarded as a part of the cost of the gasoline and deducted as a business expense; but in such cases the gasoline tax cannot be deducted separately as a tax under the item of taxes.

Twenty Comedians, All Live Dogs, Feature Show Coming to Library

The Library Theatre has announced the engagement of the amazing "4 Star Revue," in reality four shows in one, featuring the music of Harry James and Henry Busse, a stage full of the beautiful Power's Models, famous magazine cover beauties plus England's famous Carlton Emmy and his incomparable Mad Wag Folies, featuring twenty comedians, all live dogs.

The antics of these famous pups keep audiences in a constant up-pour of laughter. The New York Sun wrote, "Too funny to describe." This act is reported to be one of the most amazing exhibitions ever to be presented on any stage.

Not to be confused with any other show similarly advertised, this is the genuine "4 Star Revue" featuring the same talent that played the Roxy Theatre in New York. No changes have been made.

Another great attraction are the Power's Models, world famous magazine cover beauties, who grace the stage in the most unusual show. The fame of these girls, who are making their first joint tour, speaks for itself.

Also featured is the world famed Cal Gwin, recognized as the nation's hottest exponent of modern music. This sensational musician perfectly reproduces the music of Harry James, Henry Busse, Clyde McCoy and all the others. Walter Winchell, speaking of this act, said, "Like hearing all your name bands at one time. Music lovers! You've never seen anything like it!"

With dozens of sensational features in this great show, those who want to see a stage full of famous beauties, hear the music of America's leading name bands and see a supporting cast of most unusual acts should see the great "4 Star Revue" at the Library Theatre for one day only, Tuesday, March 3.

CLASS FOR NEW MEMBERS OPENS AT SHEFFIELD

Sheffield, Feb. 26—A class will be organized at the Sheffield Methodist church Sunday at 4:00 p. m. for those who are planning to unite with the church this spring. The group will meet in the primary room or parlor for study and discussion. It is planned to hold this class each Sunday afternoon during March. Reception of members is being planned for Palm Sunday, March 29.

A series of special Holy Week services will be conducted each evening of the week beginning March 29 and to include a three-hour service on Good Friday, April 3, beginning at 12 o'clock noon.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention. The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 2 pints a day. If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging headaches, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there's something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.

NAME COUNCILMAN

Willis S. Sprout last night was unanimously elected to the Bradford city council to fill a vacancy existing since the appointment of Dr. Hugh J. Ryan to the office of mayor. Dr. Ryan was named mayor following the death of Mayor James J. Coit.

SCOUT CHIEF QUILTS

John L. Taylor, of Erie, executive secretary of the Erie County Council of Boy Scouts, resigned yesterday, effective March 1. Taylor went to Erie eight years ago from Altoona, where he held a similar post.

ANIMALS DESTROYED

A fire that levelled a barn on the D. N. Buehows farm, near Titusville, yesterday destroyed two horses and 33 head of the only herd of registered Holstein cattle in that area. Grain, a truck and other equipment were also lost. Carl Buehows, son of the late owner, estimated damage at \$12,000 to \$15,000.

TAKE LIVES

Coroner W. G. Stroble, of Erie, reported that two Erie county men took their own lives within a 24-hour period. Joe Allen Kovod, 26, of Plateau, who had been brooding over the death of his father in January, shot himself through the head. Clyde Theurel, 62, who lost his job recently, was found dead in his Erie home, a victim of gas poisoning.

KANE MAN SAFE

Surrounded by eleven Japanese ships, with shrapnel "falling like hailstones," and later attacked by a submarine while leaving the island, were some of the experiences of Emil Anderson, 28, of Kane, employed as a stevedore on Midway. Anderson's parents recently received a letter from the young man, who is now continuing civil service work for the Navy at Pearl Harbor.

HURT IN ACCIDENT

Roy List, of Grand Valley, was treated at the Titusville hospital Wednesday for minor scalp and face lacerations, sustained when a car in which he was riding skidded on the slippery pavement, north of the Titusville city limits, and crashed into a tree. The accident occurred while List was going to work in a car driven by a son of Arthur Bimber, R. D., Grand Valley.

MISSIONARIES SAFE

The Board of Missions and Church Extension of the Methodist church announced in New York today the safe arrival in Batavia or Java of 28 Methodist missionaries evacuated from Singapore before that city fell to the Japanese. Among those said to be on their way to the United States are Mildred Kerr, of Titusville, and Lois Rea, of Linesville.

The potential value of the airplane in naval warfare was first realized by Captain W. I. Chambers, USN, in 1910.

Soviet Ring is Tightening on Nazi 16th Army

(From Page One)

14,000 Russians had been killed and several times that many wounded southeast of Lake Ilmen in the past four weeks—more than twice the period covered by Moscow's triumphant account of the battle yesterday. Soviet authorities had made no specific pronouncement on German wounded or Red army casualties.

(Numerous thrusts of Russian forces have been repulsed by German armies on the eastern front, the German high command said in Berlin. Important targets in the Leningrad area were reported shelled.)

"The German-Fascist forces are suffering great losses in manpower and equipment," the Soviet information bureau said today.

(Stockholm reports to London said Russian central front armies of Gen. Gregory K. Zhukov were closing a pincers upon the Moscow-Smolensk railway—moving in from Bely and Dorogobuzh in an attempt to pocket German troops holding out in the Rzhev-Vyazma area to the east.)

Lewis Decides to Enter Race For Governor

(From Page One)

to immediate precedent and slate a candidate, as National Committeeman David L. Lawrence prefers, or go along with Senator Joseph Guffey for a wide-open primary.

On the Republican side, Lewis, 68-year-old veteran public office holder, joins U. S. Senator James J. Davis as an avowed candidate. The new guard group has chosen William H. Harman, Philadelphia industrialist, as their man, but he hasn't committed himself yet.

Lewis has served as auditor general, state treasurer and secretary of highways. His announcement came in the face of recurring reports that State Chairman James E. Torrance and his associates still had hopes of prevailing upon Major General Edward Martin to run.

Torrance, meanwhile, disclosed he will relinquish his post after the May 19 voting so the Republican nominee can choose his own chairman.

The "availability" of several prominently mentioned prospects were looked in the minds of a special committee of three whom the state Democrats named to inquire into their status and report back at Friday's meeting.

Jap Captive?

Harry D. Atherton, well known resident of Eldred township, was found dead in the home where he resided about three miles from Sanford this morning by Johnny Zoko, carrier, from Torpedo, who investigated when he discovered mail had not been removed from the box for several days.

An investigation revealed that Atherton apparently was stricken with a heart attack while building a fire in a stove. One hand was still in the stove and burned severely. The condition of the body indicated he had probably frozen to death.

Friends reported that he was subject to fainting spells and there was nothing to indicate foul play, since all the doors were locked from the inside and it was necessary to force entry.

Coroner Ed Lowrey directed the body be removed to the Hull funeral home in Youngsville. So far as is known he has no near relatives.

No Money Goes To Japan

We had bought no Japanese merchandise for nearly a year before "Pearl Harbor" and what we do now with previously bought items makes absolutely no difference to the Japanese. They were paid months ago. None of your money can reach Japan.

SAVE AMERICAN RESOURCES

If Japanese stocks in America are left unused, American materials and labor will have to replace them. We can "SALVAGE FOR VICTORY" by using these Japanese items. To refuse to use them would hurt only ourselves by needlessly diverting supplies and labor needed for wartime effort.

PROCEEDS FOR U. S. BONDS

The editor of this paper will be furnished with a notarized affidavit of the full proceeds from this sale to be used to buy United States Bonds to help build tanks, guns, and planes.

OBITUARY

MRS. MARY SCHMOCKER

Mrs. Mary Schmocker, 18 Locust street, passed away at four o'clock this morning at the Warren General Hospital. She had been in failing health for some time but was critically ill only a short time. She was born in Interlaken, Switzerland, on July 24, 1893, and came to this country in 1893. Her husband, Frederick Schmocker, preceded her in death in May, 1941. Surviving are four daughters and two sons, Mrs. J. K. Hedges, Warren; Mrs. Philip Hoffman, Rochester, N. Y.; Mrs. J. R. Thompson, Coraopolis; Mrs. W. F. Rosette, Port Allegany; Fred J. Schmocker, Slippery Rock; Arthur A. Schmocker, Pottstown; one sister, Magdalena Gahner, of Lys, Switzerland; ten grandchildren and six great-grandchildren.

The deceased was a member of the Epworth Methodist church, the Ladies' Aid of that parish, a regular church attendant and worker so long as her health permitted. She was a charter member of the Glade W. C. T. U.

Funeral services will be held from the Lutz Funeral Home at 1:30 p. m. Saturday, conducted by her grandson, Rev. J. Ray Thompson, of the Methodist church in Madison, Pa. Interment will be made in Oakland cemetery. Friends may call at the funeral home at any time.

LESLIE R. HAYES

Private funeral services in memory of Leslie R. Hayes were held yesterday afternoon from the Leo D. Gibson Funeral Home. Interment was in the family plot with the following acting as bearers: Harry Senger, Harold Healy, Carl Castagnino, James Allen, J. R. Allen and Arthur F. Dickinson. Officers of Warren Lodge, No. 223, E. P. O. Elks conducted services at the grave. Those taking part were H. J. Christensen, exalted ruler; H. D. Becker, exalted ruler; knight; D. W. Lewis, esteemed loyal knight; H. J. Mathis, esteemed lecturer; knight, and E. W. Hill, d. m. chaplain.

Those in attendance from out of town included the following: Mr. A. W. Peterson, of Clarendon; Mr. and Mrs. B. L. Hook, Mr. and Mrs. and Mrs. Clair Hayes, Mr. and Mrs. James Ryan, Sugar Grove; Mrs. Frances Ayler, Sheffield, and Roy Anderson, Jamestown, N. Y.

MRS. CAROLINE PETERSON

Funeral services will be held at 2:30 o'clock Friday afternoon at the Schooner Funeral Home at Sugar Grove for Mrs. Caroline Peterson, 78, who died at her home three miles south of Sugar Grove early Tuesday morning. Mrs. Peterson was born in Lomberg, Sweden, on February 5, 1864, and came to this country at the age of 11 years. After living at Mayville, N. Y., she went to Elmville and married Peter J. Peterson at the age of 22 years. Soon after, they moved to the home near Sugar Grove, where he preceded her in death.

She is survived by six children: Miss Florence, at home; Elmer Peterson, Los Angeles, Calif.; Gust Peterson and Mrs. Merrill Caruthers, Cleveland, O.; Lillian Peterson, Ashville, N. Y.; and Ralph Peterson, Lakewood, N. Y.; also six grandchildren.

MRS. HOWARD A. HAHN

Mrs. Theresa E. Hahn, 1309 Pennsylvania avenue, west, passed away this morning at 6:50 o'clock following a lingering illness.

A resident of this community for the past 30 years, she is survived by the following: her husband, Howard A. Hahn, eight children, Howard J., of Warren;

BY HUBBARD KEAVY

Hollywood, Feb. 26.—(AP)—It doesn't require a crystal ball to see Gary Cooper the winner of the big Academy Award tonight, but anyone who'd try to guess the name of the best actress would be climbing "way out on a limb."

Each year, the academy of motion picture arts and sciences gives awards—gold-plated statuettes dubbed Oscars—for outstanding work in all movie branches, from acting to cartooning.

It is the consensus that the lady's fellow's performance in "Sergeant York" will get a majority of his fellow workers' votes. But as far as the actress: You can have your pick of the five nominated. Bette Davis is in the running for "The Little Foxes," but many feel her two previous awards are a handicap.

Most frequently mentioned are Joan Fontaine, for "Suspicion," Barbara Stanwick for "Ball of Fire." A strong contender, however, is Fontaine's sister, Olivia De Havilland, whose performance in "Hold Back the Dawn" was very meritorious. On the basis of personal popularity, which will be the determining factor with many of the 10,000-odd voters, it'll be either Stanwick or De Havilland.

Other actors nominated are Cary Grant, "Penny Serenade," Walter Huston, "All That Money Can Buy," Robert Montgomery, "Here Comes Mr. Jordan," and Orson Welles, "Citizen Kane."

FEW MINOR ACCIDENTS

The slippery condition of thoroughfares throughout the borough the past 24 hours resulted in a number of accidents of a minor nature. Most of the mishaps involved only crumpled fenders and no one was injured.

SALVAGE MACHINES

Confiscated slot machines stored in police stations throughout the state will be converted into scrap metal for war industries under a new salvage program announced today in Harrisburg by the State Defense Council. The council said county salvage committees, chairmen now being named will be asked to check police departments in their districts for the machines which contain brass, cast iron and lead mechanisms.

HITS POLE AND TREE

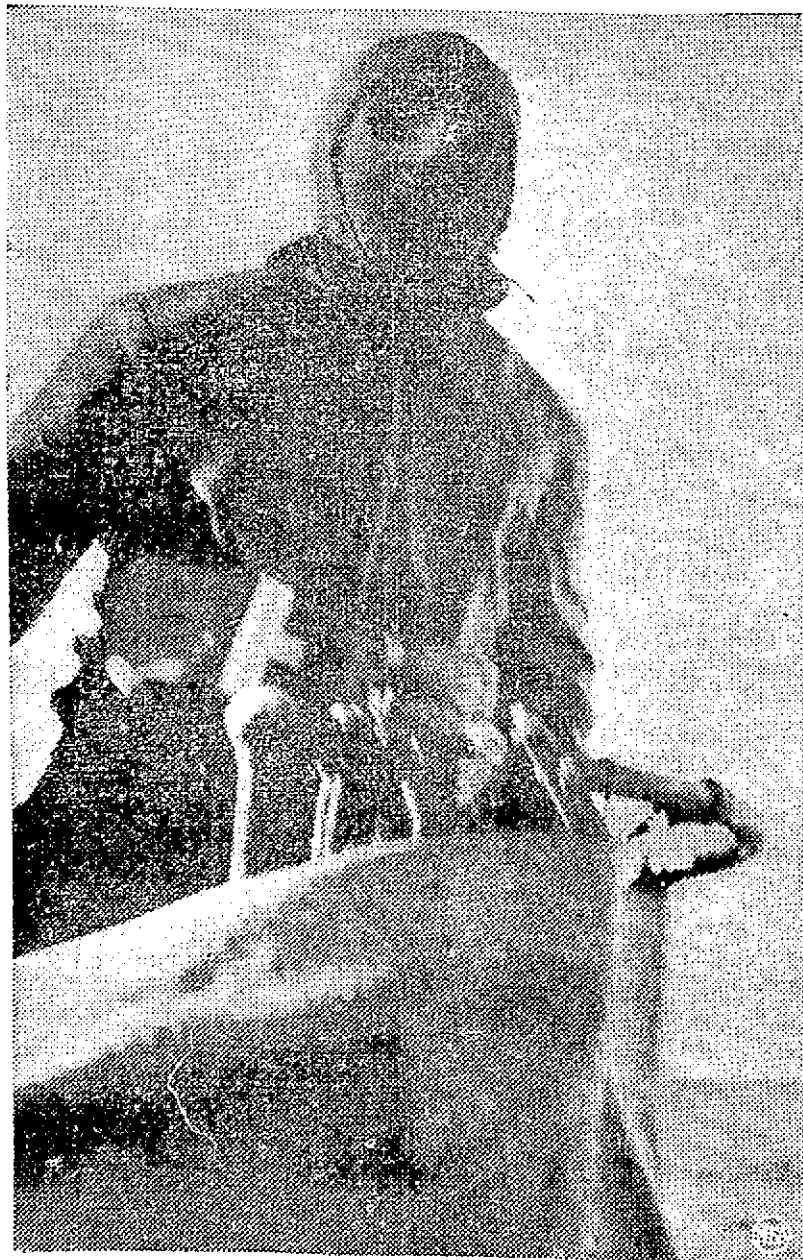

Officer Mike Evan, of the local police department, investigated an accident which occurred near the intersection of Market street and Seventh avenue last evening about 5:45 o'clock. It is reported that a Ford sedan driven by Mrs. E. M. Leiffer, 121 Main street, North Warren, skidded off the road and struck an electric light pole, breaking it off, and also struck a tree. The car was quite badly damaged.

Myron, of Corry, Mrs. William Klem, Corry, Mrs. Frederick Urbanski, Warren; Clayton, Anthony, Kenneth and Alta May, all at home; six grandchildren; one brother, J. J. Manrow, Fort Wayne, Ind.; and one sister, Mrs. Margaret Munhall, Cleveland, Ohio.

Funeral services will be held Saturday morning at 10 o'clock from St. Joseph's church with interment to be made at St. Joseph's cemetery.

Friends may call at the home at any time.

JAPANESE-MADE GOODS TO BUY DEFENSE BONDS

A plan whereby Japanese-made merchandise now in stock will be turned into ammunition to help the United States defeat the Axis powers was announced today by Frank Wood, manager of the S. S. Kresge 5c to \$1 Store.

Starting tomorrow, all Japanese merchandise which is on hand at the Kresge store will go on sale at reduced prices and the entire proceeds will be used to buy United States Defense Bonds.

It was pointed out by Mr. Wood that all of this Japanese merchandise was purchased nearly a year before the Pearl Harbor attack. Therefore, none of the money paid now for these goods can reach Japan, for they were paid months ago.

By selling these goods and using the money to buy defense bonds, the company not only will provide the government with additional funds for fighting the Japanese, but also will aid American industry by cutting down the need to replace the merchandise which would stand idle on the shelves of stores throughout the country. An advertisement which appears

elsewhere in this issue contains endorsements of the "Salvage for Victory" plan by several leading citizens of the community. Everyone can add endorsement to the plan by purchasing these goods and thus aiding in the bond purchases.

Following the sale of the Japanese-made goods, the manager of the local Kresge store will furnish the Times-Mirror with a notarized affidavit of the full proceeds of the sale to be used in the purchase of bonds. Thus it is assured that every penny from the "Salvage for Victory" sale will buy bonds for defense to provide bombs for Japan.
